Subject: Request for Change of Acreage, Nephi Sandstone Corp., SOMA Quarry, Task # 1764, S/023/065, Juab County, Utah

Dear Mr. Evans:

Your request to change your notice acreage to three acres is accepted and considered complete. On August 29, 2006 the Division GPS'ed the site at 2.9 acres and there has not been any major activity at the site since that date. The acreage change is approved.

It did come to our attention after this GPS survey that the site is mostly on BLM Land and therefore your Notice of Intent is inaccurate and you will have to contact Jerry Mansfield at the Fillmore BLM office at 435-743-3125 to obtain approval to mine on BLM land.

Thank you for your attention to this matter. Any questions please call me at 801-538-5258 or Tom Munson at 801-538-5321.

Sincerely,

Susan M. White
